

Psychedelics Drug Development Startup Seeking Experienced CEO

DELOS is dedicated to rigorously researching and developing psychedelic medicines with the aim of producing commercially available treatments that are safe, effective, and affordable.

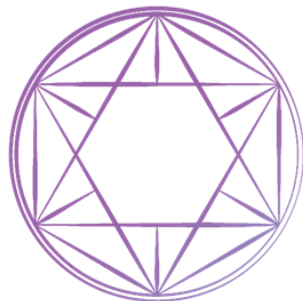

Job Description

Position Summary:

Delos is recruiting for a CEO who will help guide our team and our research projects to successful completion with FDA New Drug Application status being our first milestone and marketing of our products being the second milestone. Previous successful CEO experience and person interest/inspiration from psychedelics use are essential to us, while prior experience working with clinical trials are strongly desired.

Key Responsibilities:

- Develop high-quality business strategies and plans.
- Ensure strategy alignment with objectives.
- Lead with an example and motivate subordinates.
- Encourage employee engagement.
- Oversee all operations and business activities.
- Make high-quality investing decisions.
- Enforce adherence to legal guidelines and in-house policies.
- Ensure the company's complicity with legal and business ethics.

DELOS

www.delos-research.com

- Review financial and non-financial reports.
- Give advice for improvement and suggestions for solution.
- Build trusting relations with key partners and stakeholders.
- Maintain contact with important shareholders.
- Train, motivate and lead others.
- Analyze problematic situations and suggest solutions.
- Keep up-to-date of the markets and industry trends.

Essential:

- Personal passion for and experience with psychedelics.
- At least 2 years-experience successfully working in CEO positions.
- At least 5 years-experience working in business and/or medicine.
- MBA or equivalent business degree.

Desirable:

- MBA degree from strong university.
- Medical and/or Drug Development background.
- Experience conducting FDA-approved clinical trials.

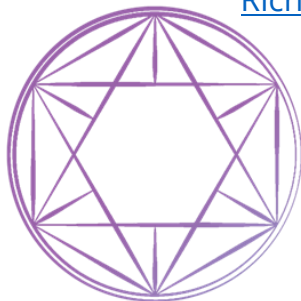

- 10+ years working in business and/or medicine.

Important Leadership Traits:

- Strategic mindset.
- Professional business acumen.
- Outstanding problem-solving skills.
- Excellent ability to lead and manage.
- Communicate effectively at all levels.
- Ability to train, develop and manage large executive teams.
- Executive Presence and ability maintain calm demeanor in high stress environments.
